

CALLED

WHAT TO DO:

Do you ever wonder what God wants you to be when you grow up? Sometimes, God calls kids— just like you— to become pastors, missionaries, or leaders in the church. But no matter what job you have one day— whether you're a teacher, a doctor, a police officer, or anything else— God has a special purpose for your life !

Take a group picture with the Polaroid camera to remind you that you're part of something big— God's mission ! Then spend a few moments praying with your group.

WHAT TO PRAY:

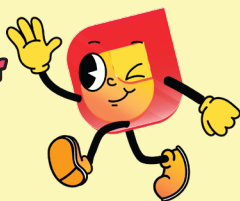

- Ask God to help you hear His voice and follow His plan for your life.
- Pray that you will always say "yes" to God's calling, no matter where He leads.
- Ask the Holy Spirit to give you courage to live for Jesus and help change the world !

BIBLE VERSES TO THINK ABOUT:

ACTS 1:8 - "You will receive power when the Holy Spirit comes on you, and you will be my witnesses to the ends of the earth."

REMEMBER:

You don't have to wait until you're older for God to use you. He's calling you now— and He will be with you every step of the way !

Leader Note – Called Station

This station is designed to help kids begin thinking about their **calling**—whether that’s into full-time ministry, missions, or faithfully following Jesus in any career or place He sends them.

Some children may **already sense a specific call** (like to be a pastor or missionary), while others may have **never thought about it before**. That’s okay—this station is about planting seeds and helping kids listen to God’s voice.

Encourage them to reflect and pray:

- “God, what do You want to do with my life?”
- “How can I live for You no matter where I go or what I do?”

As they take the Polaroid group picture and pray together, emphasize that **every person in the picture matters to God’s mission**. Each child has a part to play in the Kingdom of God.

Key truths to reinforce:

- “You don’t have to wait until you’re older to follow God’s call.”
- “Whether you’re a pastor, teacher, mechanic, nurse, or missionary—God wants to use you.”
- “Saying ‘yes’ to God is the most important thing you can do.”

Avoid pressure or forcing kids to “feel called” into ministry. Instead, let this be a space where they can explore God’s purpose with openness and joy.

Encourage listening, prayer, and surrender. A simple, childlike “yes” to God at this age can shape a lifetime of obedience and boldness.
