

FILLED WITH THE HOLY SPIRIT

WHAT TO DO:

The Holy Spirit is our **Helper**, our **Comforter**, and our **Guide**. The Bible tells us that we can ask to be filled with the Holy Spirit— and God loves to give us good gifts when we ask ! But it's important to remember, this gift of the Holy Spirit is so that we can live an empowered life that looks, talks, and loves like Jesus. We are filled with the Holy Spirit so we can be Jesus' witnesses all over the earth !

Spend some time quietly asking God to fill you with His Holy Spirit so you can be empowered to live for Christ. When you are done praying, put a fire sticker on and thank God for his Holy Spirit. Let the fire sticker be a reminder to live empowered with a passionate fire to be a witness for Jesus !

When we are filled with the Holy Spirit, we can...

- Hear God's voice more clearly, be bold and brave when we talk about Jesus, live with joy, peace, and kindness, pray with power, make wise choices, love others like Jesus does, use the special gifts God gives us to help others.

WHAT TO PRAY:

- "Holy Spirit, please fill me. Help me love like Jesus, listen to You, and be brave for You." "God, I want all You have for me. I'm ready to follow You !" "Thank You for being close to me. Help me know You more. I want to be a witness for you. Fill me so I can live differently from this moment forward."

BIBLE VERSES TO THINK ABOUT:

LUKE 11:13- "Go into all the world and preach the gospel to all creation."

ACTS 1:8 - "You will receive power when the Holy Spirit comes on you, and you will be my witnesses"

REMEMBER:

The Holy Spirit isn't just for grown-ups. He is with you— and He wants to fill your heart today !

Leader Note – Filled with the Holy Spirit

Please remember that being filled with the Holy Spirit is a gift from God. Scripture tells us that the Holy Spirit is given to those who **ask** (Luke 11:13). The point of asking isn't merely to receive a gift, it is to receive power to live for Jesus and be his witnesses here on earth. This isn't just about being filled and walking away. It's about being filled to walk with Christ on mission to bring him glory and spread the gospel!

Avoid placing expectations on how a student should experience the Holy Spirit. Do not try to coach, manipulate, or add extra conditions to their prayer. Trust the Holy Spirit to work in His timing and in His way. Your role is to **create a peaceful, prayerful space** where students feel safe to ask, seek, and receive. Encourage them, pray with them gently, and let God lead the moment.

Key truth for leaders to remember: God gives His gifts freely. Our job is to guide, not to control. The point of the baptism of the Holy Spirit is so we can be empowered to be witnesses. Don't be hesitant to talk about the importance of telling people about Jesus and how the Holy Spirit empowers us to live for Jesus every day!
