

MAKE TIME

WHAT TO DO:

Just like you make time to eat, sleep, and play, it's important to make time every day to talk to God and listen to Him.

Take one of the paper watches and write on it how much time you want to spend with God each day. It could be 5 minutes, 10 minutes, or even more. What matters most is that you set time aside just for Him.

Wrap the watch around your wrist and wear it as a reminder. While you're at this station, pray and ask God to help you remember to spend time with Him every day.

WHAT TO PRAY:

- "God, I want to spend more time with You. Help me make that a part of my day."
- "Jesus, I love being with You. Teach me to talk with You and listen to You more."
- "Holy Spirit, remind me to take time for You— because You're the most important part of my day."

BIBLE VERSES TO THINK ABOUT:

PSALM 5:3 - "In the morning, Lord, You hear my voice; in the morning I lay my requests before You and wait expectantly."

LUKE 5:16 - "But Jesus often withdrew to lonely places and prayed."

JAMES 4:8 - "Come near to God and He will come near to you."

REMEMBER:

Time with God isn't a chore— it's a gift! He wants to be part of your day, every day, because He loves you.

Leader Note – Make Time Station

This station emphasizes daily spiritual rhythm. Help students understand that prayer isn't only for camp or church—it's for everyday life.

Encourage kids to pick a realistic amount of time and focus on consistency, not perfection. For some, 5 minutes of focused time with God is a huge step!

Be mindful that some kids may not have much structure at home—remind them that they can talk to God anytime, anywhere: in the car, at bedtime, walking to school, etc.

If they say they forget or feel too busy, affirm them and say something like, "God is always happy when you show up—just take one step at a time."
