

PRAY FOR THE WORLD AND MISSIONS

WHAT TO DO:

Take a sticky tab and go to one of the big globes. Gently place your hand on the globe and ask the Holy Spirit to show you a country or group of people He wants you to pray for. When you feel ready, place your sticky note over that place on the globe.

WHAT TO PRAY:

- Ask Jesus to show His love to the people in that country.
- Pray that more people in that country will hear the Good News about Jesus.
- Ask God to help the missionaries who are already there— give them courage, protection, and chances to share Jesus.

BIBLE VERSES TO THINK ABOUT:

MARK 16:15 - "Go into all the world and preach the gospel to all creation."

REVELATION 7:9 - "There before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and before the Lamb."

REMEMBER:

God loves every person in every nation.
When you pray, you are part of God's big plan to bring His love to the world !

Leader Note – Pray for the World Station

This station introduces kids to **global awareness and intercession** in a way that is simple, Spirit-led, and faith-building. Children may not know much about other countries or cultures, but they can still pray powerful prayers when guided with **faith and imagination**.

Encourage students to **pause and ask the Holy Spirit** to put a country or people group on their hearts. If they don't "hear" something specific, gently help them choose a place they've heard of or are curious about—it's okay to guide while still giving them freedom.

Some kids may choose places where missionaries serve, others may pick places they've seen in the news or on a map. Affirm **every choice**, and remind them that **no prayer is too small** when it comes to asking God to move in the world.

Key reminders to share with kids:

- "Jesus loves every nation and every person."
- "Missionaries are like lights in places that need to know Jesus."
- "Your prayer makes a difference—even if you're young!"

Avoid letting this station become just a geography lesson. Help children see that praying for the world means **joining God's mission** to bring hope, truth, and love to every tribe, nation, and tongue.
