

PRAY FOR YOUR CHURCH

WHAT TO DO:

You belong to an awesome church— and guess what? You are an important part of it ! The church isn't just a building— it's made up of people who love Jesus and work together to show His love to the world.

Take a sticker and write your initials on it. Place your sticker on a building block, then hold the block in your hands and take time to pray.

Ask Jesus to fill you with His Holy Spirit so that He can use you to help build His church and share His love everywhere you go.

When you're done, click your block onto the others and watch how you're becoming part of something bigger— God's house, His people, His mission !

WHAT TO PRAY:

- "Jesus, thank You for my church. Help me be a part of what You're building."
- "Fill me with Your Holy Spirit so I can serve and love others well."
- "Use me to help my church grow strong and reach people who need You."

BIBLE VERSES TO THINK ABOUT:

1 PETER 2:5 - "You also, like living stones, are being built into a spiritual house..."

MATTHEW 16:18 - "I will build my church, and the gates of hell will not overcome it."

EPHESIANS 2:22 - "In Him you too are being built together to become a dwelling in which God lives by His Spirit."

REMEMBER:

You're not too young to help build the church. God made you to be part of something great— and He's building it with you !

Leader Note – Pray for Your Church

This station helps kids realize their place in the Body of Christ—not just as attenders, but as active builders in God’s Kingdom.

Reinforce the truth that the church is people, not a place. God uses each person (even kids!) to bring strength, love, and purpose to His church.

Encourage them to take ownership and see themselves as valuable contributors. As they click their block into the structure, emphasize that this is a picture of how we’re stronger together, joined by the Holy Spirit.

Some may not attend church regularly or feel connected—gently assure them that they are still part of God’s big Church and that Jesus has a place for them in His mission.
