

PRAY FOR YOUR FAMILY

WHAT TO DO:

Your family is a special gift from God. He cares about your home, your parents, your siblings— even the hard things that sometimes happen in families.

Take a leaf-shaped sticky note and write the name of someone in your family that you want to pray for. It could be a parent, grandparent, sibling, or even your whole family. Then place the leaf on the big tree on the wall to help it “grow” with prayers.

WHAT TO PRAY:

- “God, thank You for my family. Please help us love each other and grow closer to You.”
- “Jesus, I pray for (name). Help them know how much You love them.”
- “Holy Spirit, use me to show Your love to my family. Help the people in my family who don’t know You yet to come to believe in You.”

BIBLE VERSES TO THINK ABOUT:

EPHESIANS 6:1-2 - “Children, obey your parents in the Lord, for this is right. Honor your father and mother...”

ACTS 16:31 - “Believe in the Lord Jesus, and you will be saved— you and your household.”

2 PETER 3:9 - “The Lord...is patient with you, not wanting anyone to perish, but everyone to come to repentance.”

REMEMBER:

Jesus loves every person in your family— even those who don’t know Him yet. When you pray for them, you’re helping shine His light into their lives.

Leader Note – Pray for Your Family Station

This station can be deeply personal for students. Some may come from loving Christian homes; others may live with family members who don't yet know Jesus or where relationships are difficult or even painful.

Encourage students to pray with hope. Gently remind them that Jesus loves every person in their family, even those who don't believe in Him yet—and He wants them to come to know His love and truth. Affirm that their prayers can make a difference.

If a child expresses worry about a family member's salvation, respond with kindness and assurance: "Jesus loves them, and He hears your prayer."

Create space for kids to pray honestly and safely—without pressure—knowing God is working in their homes even when they can't see it yet.
