

PRAY FOR YOUR FRIENDS

WHAT TO DO:

God loves your friends— even the ones who don't know Him yet. And guess what? He wants to use **you** to help them find out how much He loves them !

Think of a friend who needs Jesus in their life. Maybe they don't go to church, or they don't know what it means to follow Him.

Take an **index card** and write their name on it. Put the card in an **envelope**, then hold it in your hands and **pray for that friend**.

Ask God to help them know His love. Pray that you would have the courage to talk to them about Jesus or invite them to church.

When you're done, place the envelope in the **mailbox** as a symbol that you're giving this to **God**— and promising to do your part to love and reach your friend.

WHAT TO PRAY:

- "Jesus, help (friend's name) know how much You love them."
- "God, show me ways to be a good friend and a good witness."
- "Holy Spirit, give me boldness to talk to my friend about You and invite them to church."

BIBLE VERSES TO THINK ABOUT:

ROMANS 10:14 - "How can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them?"

MATTHEW 28:19 - "Go and make disciples of all nations..."

PROVERBS 17:17 - "A friend loves at all times..."

REMEMBER:

You don't have to be perfect to tell others about Jesus— just willing. God can use your friendship to help change someone's life forever.

Leader Note – Pray for Your Friends Station

This station helps students understand the missional heart of God in a personal way. Evangelism starts with prayer—and kids can begin by lifting up the names of their friends and trusting God to move.

Affirm that they don't need to have all the answers. Simply being kind, sharing what Jesus means to them, and inviting a friend to church can be powerful.

Avoid pressure language like, "You have to go talk to them now," and instead use gentle encouragement: "Let's ask God to open the door and give you the courage when the time is right."

Some students may feel nervous, sad, or even responsible for their friend's salvation—remind them that they plant the seed, but God does the growing.
