

# PRAY FOR YOUR PASTORS

## WHAT TO DO:

Your pastors love you and work hard to help you know Jesus and grow in your faith. They teach, pray, and lead the church—but they need your prayers too !

Take a bookmark and write the names of your pastors from your church. Then spend a couple of minutes praying for them and their families. You can thank God for them, ask God to give them strength, and pray that they would stay close to Jesus.

When you're finished, keep the bookmark and put it in your Bible. Every time you see it, you can remember to pray for your pastors again !

## WHAT TO PRAY:

- "Thank You, God, for giving me great pastors."
- "Jesus, please give my pastors strength, joy, and wisdom as they lead our church."
- "Holy Spirit, bless their families and help them feel Your love every day."

## BIBLE VERSES TO THINK ABOUT:

**1 THESSALONIANS 5:12-13** - "Honor those who are your leaders in the Lord's work. Show them great respect and wholehearted love because of their work."

**HEBREWS 13:17** - "Have confidence in your leaders and submit to their authority, because they keep watch over you..."

**1 TIMOTHY 2:1** - "I urge...that petitions, prayers, intercession and thanksgiving be made for all people..."

## REMEMBER:

Your pastors care for you— but you can care for them too by praying ! God hears your prayers and uses them to encourage and strengthen your leaders.

## Leader Note – Pray for Your Pastors Station

Kids may not always realize the amount of love, time, and spiritual leadership their pastors provide. This station helps them both **recognize and respond** to that leadership with gratitude and prayer.

Encourage them to write **the names they know**—it's okay if they don't remember everyone. This is about helping them make a **heart connection** to their leaders.

Remind them that pastors have families, struggles, and responsibilities too, and that their prayers **truly matter**. You might even suggest they pray the same way they'd want others to pray for them.

Make this a moment of **thanksgiving and blessing**, not obligation. Keep the atmosphere light, worshipful, and full of gratitude.
