

PRAY FOR YOURSELF

WHAT TO DO:

Sometimes it's easy to pray for others— but God wants you to know that you can bring your own needs to Him too. Take a look at the binder with tear-off tabs. Each tab has a word on it like:

» **Courage**
» **Joy**

» **Peace**
» **Healing etc.**

Find a word that shows something you need from God right now. Tear off that tab and hold it in your hand. Spend a few quiet minutes praying and asking God to give you what you need. He loves you and hears your prayers.

WHAT TO PRAY:

- "God, I need Your help. Please give me _____."
- "Jesus, I know You care about me. Thank You for hearing my prayer."
- "Holy Spirit, please fill me with what I'm missing today."

BIBLE VERSES TO THINK ABOUT:

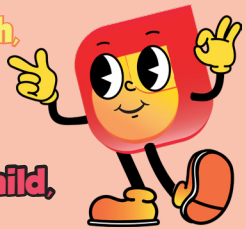

PHILIPPIANS 4:6 - "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God."

MATTHEW 7:7 - "Ask and it will be given to you; seek and you will find..."

PSALM 46:1 - "God is our refuge and strength, an ever-present help in trouble."

REMEMBER:

It's okay to ask God for help. You are His child, and He loves to take care of you.

Leader Note – Pray for Yourself Station

This station teaches children that it's not selfish to pray for themselves—in fact, God invites us to bring our needs to Him. Encourage kids to think honestly about what's on their heart and trust God with it.

If a child seems unsure or overwhelmed, gently ask, "What do you need from God today?" and guide them toward choosing a tab that fits.

Avoid over-explaining or fixing their problem. Instead, remind them that God hears, understands, and responds in His perfect way and time.

Encourage a calm, reflective environment where kids can feel safe bringing their hearts to God—maybe for the first time.

Create space for kids to pray honestly and safely—without pressure—knowing God is working in their homes even when they can't see it yet.
