

THE WONDER OF WORSHIP

WHAT TO DO:

Worship isn't just singing songs— it's a way to show God how much we love Him. When we worship, we tell God who He is and how much He means to us!

Take one of the paper hands and write a reason why you worship God. Here are some ideas to help you think:

"You are good"

"You love me no matter what"

"You are my Savior"

"You are powerful"

"You never leave me"

"You made me"

"You forgive me"

"You are holy"

"You are my peace"

"You are worthy of all praise"

After you write on your paper hand, hold it while the worship music plays. As you listen, think about the reason you wrote and take time to worship God from your heart.

When you're ready, place your hand in one of the marked baskets to show that you're giving your worship to God.

WHAT TO PRAY:

- "God, You are amazing. I worship You because _____"
- "Thank You, Jesus, for being everything I need."
- "I give You my praise— not just in this moment, but with my whole life."

BIBLE VERSES TO THINK ABOUT:

PSALM 95:6 - "Come, let us bow down in worship, let us kneel before the Lord our Maker."

JOHN 4:24 - "God is spirit, and His worshipers must worship in the Spirit and in truth."

ROMANS 12:1 - "Offer your bodies as a living sacrifice, holy, and pleasing to God— this is your true and proper worship."

REMEMBER:

Worship is more than music— it's your heart, your words, your actions. When you live for Jesus, you are worshiping Him every day

Leader Note – The Wonder of Worship Station

This station invites kids into personal, expressive worship, not just participation. Music will help set the tone, but the goal is for kids to understand that worship is a response to who God is—not just a song we sing.

Encourage children to think deeply and honestly about why they love and worship God. Their answers may be simple or profound. Celebrate both.

Let the environment be peaceful and reverent, giving kids space to reflect, listen, and encounter God. If a student doesn't want to write or is unsure what to say, gently ask, "What do you know to be true about God?" and help guide them from there.

Most importantly, remind them that God delights in their worship—no matter how quiet or loud, simple or expressive it is.
